Chuck's Teams Win . . .

Oklahoma's record under Chuck Fairbanks is 23-9.

That's good.

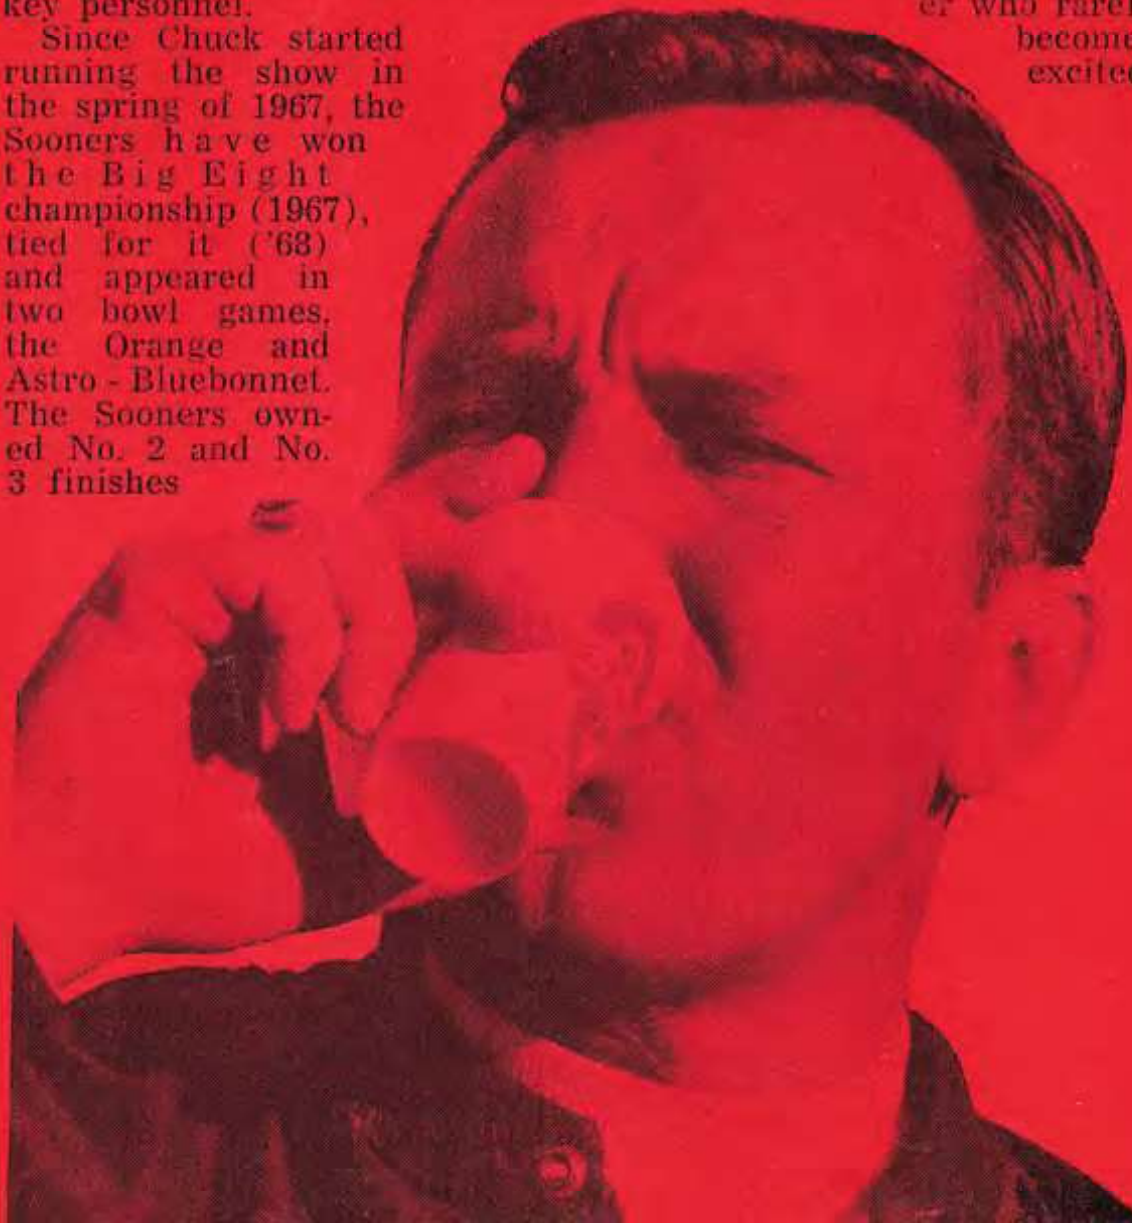
Remember, if you will, that the Sooners do business in the Big Eight conference, which is comparable to doing it with the mafia. The Big Eight is ranked No. 1 in unsafeness.

Last season was the first time Oklahoma finished lower than first place in the league with Fairbanks calling the shots. The Sooners wound up in fourth place with a 4-4 conference record and 6-4 for the sesaon despite injuries to key personnel.

Since Chuck started running the show in the spring of 1967, the Sooners have won the Big Eight championship (1967), tied for it ('68) and appeared in two bowl games, the Orange and Astro - Bluebonnet. The Sooners owned No. 2 and No. 3 finishes in both major wire service polls.

A slow beginning the following year left Oklahoma with a 2-3 record midway in the season but Chuck fired his forces to five straight victories, two of them over bowl teams Kansas and Missouri, and into a tie with Kansas for the Big Eight title. OU was invited to the Astro - Bluebonnet Bowl where it lost 27-28 to Southern Methodist.

What kind of a guy is Chuck? He's soft spoken and cautious with his words, but direct and to the point. He's a cool thinker who rarely becomes excited.



1970 RUNDOWN

THE GOOD—Oklahoma will be bigger physically than ever and faster as a team than last year. The defensive unit is fairly experienced and should be improved. Offensively, all the backs and receivers who lay their hands on the ball can break the long, touchdown run. There should be more depth than Oklahoma is used to. And quarterback Jack Mildren, voted the Big Eight's sophomore offensive player of the year in '69 by United Press International, is experienced.

THE NOT-SO-GOOD—Lack of experience overall. Especially on offense. There's good talent but it must prove itself against strong opposition which is what Oklahoma will face this fall. OU's defensive secondary and its offensive line failed to electrify the coaching staff this spring. Work looms in these two areas.

THE 1970 SCHEDULE — Ouch! There's SMU for openers. Mustangs are quarterbacked by Chuck Hixson, the guy who beat the Sooners, 28-27, in the Astro-Bluebonnet bowl two seasons ago. They're good. So is Wisconsin and Oregon State. And Texas? "I'm sure they will be able to line up," cracks an Oklahoma assistant coach. Longhorns were the nation's No. 1 team last year and probably will be ranked the same on pre-season polls. OU must also wade through the usual Big Eight conference schedule where there is not an easy Saturday to be found anywhere.

OKLAHOMA'S NEW OFFENSE — Pro-set with Veer-T options. Coaches believe that the Sooner's swift, light backs and receivers are tailor-made for this attack. OU lacks the durability and strength it had in Heisman winner Steve Owens, who carried the ball 35 to 50 times a game. Sooner fans probably will see longer runs this year than they've seen in quite some time, and more passing. The Sooners' new formation is a "big play" offense, much different than the ball-control or Power "I" attack employed the past three years.

Running backs Joe Wylie and Everett Marshall and fullback Roy Bell all possess sub-10 flat, 100-yard dash speed. Pete Halfman, another fullback who opened eyes in spring drills, can move, too.

"We'll probably see a bunch of four-yard gains and a bunch that gain nothing and then all of a sudden — boom — an 80-yarder," describes Barry Switzer, assistant head coach and offensive coordinator, about OU's 1970 attack.

DEFENSIVE CHANGES, TOO—Oklahoma will line up in a 4-3-4 defense. That's different from last year in that Sooners will use a four-deep secondary instead of the three-deep system employed last season. Coach Chuck Fairbanks indicates his team will use more zone pass coverage, too.

RETURNING SOONER LETTERMEN — Twenty-eight, including 14 starters and five part-time starters. Starters include: OFFENSE —wingback Roy Bell, kicker Bruce Derr, guard Steve Tarlton, center Jeep Dewberry, tackle Darryl Emmert, quarterback

Jack Mildren. DEFENSE—linebackers Steve Aycock, Steve Casteel, nose guard Lionell Day, ends Vince LaRosa (who will be moved to offense, probably) and Bruce DeLoney, tackles Kevin Grady and John Watson (also moved to offense) and safety Monty Johnson.

Part-time starters back are split ends John Shelley and Everett Marshall (moved to running back) and wingback Geoffrey Nordgren (moved to the defensive secondary) on offense and halfback Glenn King and end Al Qualls on defense.

DEFENSE

OVERALL—Oklahoma has a chance to be a good defensive team. Experience is why. There's plenty of that about everywhere and where there's not experience, there's talent. Linebacking probably is the best thing going. All-America candidate Steve Casteel, the Big Eight's sophomore defensive player of the year in 1968, Steve Aycock, quick and determined and Bruce DeLoney, tall, fast and more experienced than he was last year, will be the guys to beat out at the three linebacking spots. Sooners are okay at defensive end and in the interior line, hubbed by another all-America hopeful, Kevin Grady, 240-pound senior tackle. Biggest problem, of course, will be the secondary.

LINEBACKING — Good. Casteel, Aycock and DeLoney offer the talent and experience necessary. There's depth here. Casteel took part in spring practice but abstained from contact to let his knee surgery heal. Jon Milstead, big, tough sophomore from Athens, Tex., filled in at weakside linebacker and was mighty impressive. So was Gary Rhynes, another sophomore. Backing up DeLoney at outside linebacker in the spring were senior Forb Phillips, sophomore Gary Baccus, 6-4, 220-pounder from Brownfield, Tex., redshirt David Geren and senior Gary Chrisman, a two-year letterman.

At middle linebacker, Aycock received support from letterman Mike Hawpe, transfer Mark Driscoll, former prep great from Ponca City and Danny Mullen, sophomore from Galveston, Tex.

"I think Milstead had the best spring practice of all of them," says Coach Larry Lacewell, who ramrods the defense.

INTERIOR LINE—Good, big and quick. Deep, too. The other tackle alongside Grady might be sophomore Derland Moore, 6-4, 240-pounder from Poplar Bluff, Mo. who came to Oklahoma on a track scholarship and wound up playing football. Others in contention at tackles are sophomores Eddie Foster (6-4, 234), Tom Saunders (6-2, 223), Dennis Cumbach (6-1, 235) and lightning fast Ray Hamilton (6-1, 220), who might be as quick as Granville Liggins, former Sooner great. Hamilton may be tried at defensive end this fall. Hustling Steve Scranton, soph from Tulsa, senior John Nicholson, who toiled some in 1969, and Randy Davis, sophomore from

Houston, will also be in the battle for playing time.

DEFENSIVE END—Not physically well off but between junior Albert Qualls, senior Rick Mason, the two No. 1 folks in spring practice, OU should have quickness and speed at those spots. Mason saw duty in the interior line last fall. Qualls, 6-3, 214, runs the 100 in 9.8 and made big plays last year.

Those two will be ably supported by senior Jerry Sims, junior Scott Van Krevelen, who returned to the squad following a two-year layoff and had a good spring, Haynes McBride, soph from Memphis, Tenn., sophomore Mike Struck, who has done plenty of that on the field and Alan Holmes, 6-2, 205 pounder from Maysville.

Hamilton might be moved to defensive end where his speed and quickness would be put to good use.

SECONDARY—Not firmed up yet. Looks like safety Monty Johnson, senior from Amarillo, Tex. and right cornerback Glenn King, junior from Jacksboro, Tex., who runs a 9.6 100, may be set. The two other spots are up for grabs. Geoffrey Nordgren was moved from the offensive backfield to the secondary in the spring and showed plenty of speed at left corner. Larry Roach, sophomore from Watonga and Max Dayton, speedy Tulsa soph also played there in the spring. Steve O'Shaughnessy was listed as the No. 1 strong safety at the end of spring drills but he will get a run for his money from transfer Gary Carter, Vic Kearney, soph from Milwaukee, Wisc. and Charlie Hoffart, Houston, Tex. soph.

Lending support behind Johnson at safety will be Gary Jamar, senior from Ada, and junior Gene Barnes from Garber.

At right corner behind King, sophomore Leon Crosswhite impressed everybody in the spring with loud tackles. The 6-2, 194-pounder from Hennessey will push hard for starting duty. Ken Hulstein, McCook, Neb. sophomore, looked good. Sophomore Steve Shotts could play if his operated knee comes around.

Sooner coaches wanted a better peek at Danny Ruster, sophomore who quarterbacked the freshman team until an injury shelved him last fall, at strong safety, but the Denver, Colo. star ran a toothpick up his foot in a freak accident at the dormitory and had to miss the last part of spring practice. He could figure into the starting picture this year.

OFFENSE

OVERALL—Inexperienced but potentially good. Sooners have always done well offensively since Fairbanks and his staff took over in 1967. Oklahoma has been No. 1 in the Big Eight in rushing every season and either first or second in the league in total offense and scoring. The swiftness of running backs Joe Wylie, Everett Marshall and Roy Bell and receivers Greg Pruitt and Jon

Harrison will be hard to defense. Quarterback Jack Mildren, who is experienced and talented, can break the long run, too. The offensive line will be bigger physically but immature.

"Our major concern," explains offense coach Barry Switzer, "is the youth and inexperience, especially in the offensive line. I think we must have offensive success early in the season and improve on it as the year goes along. Our pass protection needs improvement and our people need to stay healthy which they didn't do last fall. With game experience, we should become a good offensive unit. Our passing and running will be more balanced than in the past. We plan to pass more this year. I think we will rank higher in the passing statistics and fall off a little in the rushing statistics."

BACKFIELD—Quick, fast and explosive. There's more speed available than Oklahoma has had the past three years. Best thing going, of course, will be the experienced Jack Mildren at quarterback. He can do it all. Joe Wylie, Roy Bell and Everett Marshall can all scoot. Marshall has 9.4 speed. Sooner coaches are hopeful for more long, scoring runs this year. Fullbacks Pete Halfman and Steve Dodd were impressive in the spring along with reserve running back Mike Smith, a redshirt from Durant. Sooner backs are good receivers, too. They will be called upon to field Mildren's passes. Look for Mildren to throw more than he did last year.

RECEIVERS—Another strong area for OU. Sophomore split end Greg Pruitt and flanker Jon Harrison can catch and run with it afterward. "Harrison has the greatest concentration of about anyone we've seen," says Barry Switzer, offense coach. "Pruitt has fine running ability after he catches the ball." Sophomores Al Chandler (6-3, 221) and A. G. Perryman (6-1, 238) will probably alternate at tight end. They can both run well and both have the required physique for blocking. Two other sophomores, Mike McLaughlin and Kelly Roach, will push Chandler and Perryman for starting duty. "I think this group gives us the best receiving talent since I've been here," Switzer adds.

OFFENSIVE LINE—Large, strong but green. This was a problem area in spring drills. There's talent but not much experience. Sooner coaches were more pleased about this area than they thought they would be prior to spring practice but the offensive line still does not have the game experience that's so important.

Coaches hope that more muscle has been provided up front by moving John Watson (6-5, 237) from defense to offensive tackle. At strongside guard, redshirts Ken Jones (6-4, 224) and Ron Stacy (6-4, 242) practiced well in the spring. So did another redshirt, Robert Jensen (6-5, 245), positioned at quick tackle. He missed the spring game with injury. Other possibilities at that position are Mike Mullen, 6-2, 220-pound junior, and Phil Jordan, 6-2, 220-pound redshirt who has improved tremendously. It looks like Jeep Dewberry will hold on at center but Tom Brahaney, 6-2, 218-pound sophomore, will challenge. Steve Tarlton, a starter last fall until a knee injury benched him, must be reckoned with at quick guard.

Also tried at that spot during the spring were junior Lionell Day, a part-time defensive starter last year and sophomores Dean Unruh (6-3, 235) and Bill Orendorff, 6-1, 230-pounder.

Besides Jones and Stacy, sophomore Neil Acker (6-2, 220) a tough customer from Okmulgee, and Vince LaRosa, starter at defensive end last year, will probably be tried at strong guard. LaRosa missed spring work following knee surgery but was an outstanding offensive lineman at Taft Junior College. He's up to 230 pounds.

Watson will get a battle from junior Nelson Todd, a second-teamer last year and sophomore John McLaughlin (6-2, 220) at strong tackle.

KICKING—Should be okay. Monty Johnson punts high and far with his left foot and he's experienced. Placekicker Bruce Derr kicked three field goals in the Varsity-Alumni spring game, looking impressive.

Coach Fairbanks Says

"OUR TEAM has a considerable amount of potential with many young and talented players. Our primary concern will be to strive for consistent play from our inexperienced players on the squad. Our overall team speed will be above average particularly with more speed in our running backs and receivers than we've had in past years.

The hole opens and Roy Bell sneaks through.

"The overall size and strength of our squad will be greater than we've had on recent teams. A plus for our offense will be the return of an experienced quarterback in Jack Mildren.

"Defensively, we expect the front portion of our defense, the line and linebackers, to be more experienced and physically stronger than a year ago.

"Two major problems during spring practice were the rebuilding of the offensive line and the defensive secondary. We were encouraged by the progress made during the spring in these two areas but feel that there must be improvement in them for us to compete successfully this fall.

"I'm hopeful that we improve in our kicking game with the return of an experienced kicker and punter in Bruce Derr and Monty Johnson."

HEADLINERS

Mildren zooms 78 yards to a touchdown in OU's 37-8 victory over Pittsburgh . . .

11 QB Jack Mildren

20, 6-0, 196, junior, Abilene, Tex.

VOTED THE BIG EIGHT sophomore offensive player of the year by United Press International last fall after completing 79 of 172 passes for 1,319 yards and eight touchdowns. Rushed for another 345 yards and seven touchdowns. That's 1,664 yards worth of total offense.

Can do it all, break the long run, throw, scramble—you name it. Mildren should stabilize Oklahoma's green, inexperienced offensive unit this fall. He's tailor made for the Sooner's new, pro-set offense with veer-T options. The year of experience he accumulated in 1969 won't hurt him, either.

Extremely intelligent on the field and off. An excellent student in the classroom. Won the Jay Myers award for the best student-athlete when he logged a 3.67 grade average as a freshman on the 4.0 system.

Broke for a 78-yard touchdown run in Oklahoma's 37-8 victory over Pittsburgh last season. Holds the school record for most forward passes completed in one game—15 against Nebraska last fall.

Mildren's only weakness, some folks thought before the 1969 season, was his passing. But Jack's first collegiate aerial was complete for 68 yards and a touch-

. . . And goes upstairs for some more yardage.

down to Joe Killingsworth in Oklahoma's 48-21 opening victory over Wisconsin, quickly abolishing that theory. It was thrown about 40 yards in the air. "I didn't even break stride," explained Killingsworth. "The pass was right to me. All I did was look up and—bing—it was right there."

Mildren was an outstanding prepster at Abilene Cooper High School. He was voted the No. 1 blue-chip player by Southwest Conference coaches his senior year (1967) after passing for 2,076 yards and 20 TDs that season. He also rushed 787 yards and for 24 more touchdowns as a senior.

He was recruited so vigorously by college coaches that Sports Illustrated featured him in their Sept. 9, 1968 edition. Dan Jenkins wrote the article.

Mildren says he doesn't get nervous about a game until the morning of the battle. "I sleep well the night before but when I wake up—brother. I can't even eat."

Bob Hurt, sports columnist for the Daily Oklahoman, interviewed Mildren on Oklahoma's new pro-set offense with Veer-T options. Here are Jack's replies.

"Last year, we had more of a run-pass attack. This offense is more of a pass-run attack. The theory is to establish the passing game, see how they cover the receivers and then go on from there. I feel like we'll be passing 30 times a game."

And Jack's outlook for this year?

"Well, people say we're so young and weak in the secondary and . . . well . . . I've gotta be optimistic. I really am optimistic. I think the team believes we can win."

Mildren's younger brother, Richard, considered an outstanding prep linebacker at Abilene Cooper, has signed to play at Oklahoma and will be among the 43 prep signees to enrol this fall.

44 LB Steve Casteel

21, 6-3, 201, senior, Garland, Tex.

SPEEDY LINEBACKER and one of Oklahoma's better players. Voted the Big Eight's sophomore defensive player of the year in 1968. "His best characteristic," explains linebacker coach Warren Harper, "is the way he ranges wide to cover both passing plays and against the run. He has great speed. He's a hitter, too."

Casteel intercepted a Nebraska pass as a sophomore and zipped 35 yards back to a touchdown.

He underwent knee surgery last winter after an injury in the Nebraska game. Went through the motions in spring practice but was held out of contact to let his operation mend. Should be at full strength this fall.

"Football means more to me now," says Steve. "When I first came here, it was fun. It's still

Casteel at work. Kansas State's Jerry Lawson feels the impact.

fun, but I'm more serious about it. I hope you can call that maturity.

Casteel will be married, Aug. 8, to Miss Bea Burris, a junior from Oklahoma City who teaches modern jazz and tap dancing.

The Garland, Tex. senior worked on a construction crew during the summer months to help get his knee back in shape. "For money, too," he adds. "I'm getting married, remember."

75 DT Kevin Grady

21, 6-3, 239, senior, Santa Ana, Calif.

BIG, STRONG and agile. Solid all-American candidate. "He's almost impossible to block," says defense Coach Larry Lacewell, who likes to see such things.

"Kevin is built low to the ground and has phenomenal strength. Zabel and Mendenhall (Steve and Ken, former OU musclemen in the offensive line) had a hard time blocking Grady in scrimmages. They couldn't handle him. One on one, I don't know if anybody can."

Grady's best game last year occurred against Texas. Despite losing 27-17, Oklahoma choked off the Longhorn's vaunted rushing game, forcing the Steers upstairs

Grady's 240 pounds say 'no' to an Iowa State field goal try.

to pass for yardage. Grady made 16 tackles that day, completely dominating Texas blockers. "Kevin Grady played defensive tackle as well as anyone at Oklahoma has played the past few years," said OU Coach Chuck Fairbanks following that contest.

Grady made 18 tackles, three for 16 yards in losses, against Nebraska and 12 each against Colorado and Oklahoma State.

Although his long suit is playing against the running game, he should give the Sooners a more potent pass rush this fall, an area the team worked hard at during spring practice.

Grady was hampered during portions of the '69 season with a sprained ankle. "When he wasn't hurt, he was outstanding," says Lacewell.

Kevin was an all-American at Westminster, Calif. Junior College in 1968. He played four years at offensive and defensive tackle at Mater Dei High School in Santa Ana, Calif. where his team finished 31-2-1 and was ranked first in the state in 1965 and '66.

Coaches like Kevin's attitude on the field. He's a leader. "I've played both offense and defense," he says, "and I like defense better. You can let yourself go on defense."

OU On National TV 26th Time

THE PLAYERS

12 FL Jon Harrison

20, 5-9, 157, junior, Abilene, Tex.

EXCEPTIONAL HANDS and concentration. Good speed. Has two years of eligibility after transferring from Northeastern A&M Junior College at Miami, Okla. Was Jack Mildren's receiver at Abilene Cooper High School. Great statistics as a prep receiver. Caught 78 passes for 15 touchdowns his senior year. Good downfield blocker. Good route runner. Worked on an oil rig at Abilene during the summer. "Since I'm a receiver," he says, "it's a challenge to beat the defensive halfback. It's an individual duel inside a larger war."

14 DHB Steve Shotts

20, 6-0, 185, sophomore, Weatherford

REDSHIRT. Underwent knee surgery last spring and should be at full strength this fall. Was the starting safety on the 1968 freshman team where he led in interceptions with two. Intelligent. Improved. Brother of Ron Shotts, former Sooner tailback and three-year letterman. Lettered four years each in football, basketball, track and baseball at Weatherford High School.

15 QB Dave Robertson

19, 6-2, 196, soph., Garden Grove, Calif.

WILL BACK UP MILDREN. Good speed. Good passer. Took over the quarterback spot on the freshman team last fall when Dan Ruster was injured. Completed 27 of 58 passes for 606 yards and six touchdowns in leading the frosh to a 4-0 mark. Improved during spring practice. Will be a good one.

16 DHB Dan Ruster

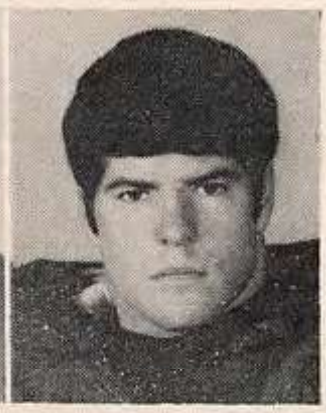
19, 6-2, 187, sophomore, Littleton, Colo.

QUARTERBACK on the freshman team who injured a shoulder and missed half the season. Was

Steve Aycock

Gary Baccus

Roy Bell



Tom Brahaney

Gary Carter Steve Casteel Albert Chandler Leon Crosswhite

moved to strong safety in the secondary during spring. Suffered a freak mishap when he stepped on a toothpick in the dormitory and was forced to abstain from much of spring practice. Coaches didn't get the good look at him in the secondary but feel he will bid for starting duty there. Excellent ability. Quick and smart.

17 DHB Leon Crosswhite

19, 6-2, 194, sophomore, Hennessey

TOUGH LITTLE COMPETITOR who will challenge for starting duty, probably at right cornerback. Hard tackler. "I believe he is the hardest hitter and competitor on the squad," says Coach Larry Lacewell. Brother of Rodney Crosswhite, former Sooner letterman. Added 15 pounds to his frame as a freshman. Works on his dad's farm, where he grew up, during the summer months.

18 DHB Steve O'Shaughnessy

19 DHB Geoffrey Nordgren

21, 6-2, 198, junior, Covington, La.

SWITCHED TO THE SECONDARY during spring drills. Was a part-time starter at wingback last year where he caught 13 passes for 188 yards and two touchdowns. Big, strong and fast. Sub 10-flat speed in the 100. Coaches like the idea of his speed in the defensive backfield. Probably be stationed at left cornerback. Should improve and become a fine defender. Was a prepster at St. Mary's High School in Covington. Is the fifth of ten children in his family. "I had a built in rooting section back in high school," he says. "Once, my dad and oldest brother, Gordon, Jr., were thrown out of the gymnasium for yelling at a referee that called a foul on me during a basketball game."

George Nordgren, another of Geoff's brothers, played at Hous-

ton when OU head coach Chuck Fairbanks was an assistant there. Fairbanks impressed George, hence Geoffrey's interest in attending Oklahoma.

His 37-yarder is a Varsity-Alum record. Toed 36 of 43 PATs as a sophomore. Experience should help him this fall. Extremely strong kicker, having booted several from 45 yards and farther.

22 RB Joe Wylie

19, 6-1, 180, soph., Henderson, Tex.

Scored eight touchdowns. Received seven passes for 122 yards and one touchdown. Long-play threat. Broke for 93 yards and a touchdown in frosh game against Oklahoma State, longest rush in OU frosh history. Broke several long runs. "He may be the best broken field runner we have," says Coach Barry Switzer. Will be called upon to catch passes, too. Voted the No. 1 blue-chip high school player in Texas by the Southwest Conference coaches his senior year in 1968. Straight "A" student. Made a perfect 4.0 grade average each semester as a freshman. Very serious about Christianity. Speaks frequently at church youth functions and rallies. An excellent quarter-miler in track. Finished third at the Big Eight indoor meet in the 440 without being in running shape. It was right after the football season. Has clocked 47.8 for the open quarter, indoors. Passed up outdoor track last year to concentrate on football.

Typifies Oklahoma's new look on offense—light, fast backs who can break the long run. Caught a 66-yard pass from Jack Mildren against Kansas State and outran the Wildcat secondary for a TD last fall. Has run the 60-yard dash in six seconds flat. Wants to climb to 195 pounds more than anything. Moves so fast he has trouble controlling his speed on the field. Worked as a roustabout on an oil rig in California during the summer and ran in summer track meets out there. Likes his home state and wants to live there after he finishes college. "I like the warm weather in California," he says. "It's good all year 'round."

33 DHB-FL John Shelley

20, 6-0, 190, junior, Oklahoma City (Casady)

PLAYED ON THE BASEBALL team last spring. Coaches aren't sure where he will play this fall. Was a fine split end as a sophomore when he caught five passes for 75 yards. May be tried in the secondary because of his savvy and speed but might wind up back on offense. Fine athlete who turned down a baseball bonus offer in high school to play football. THE No. 1 CENTER. Took over the middle of last season when Ken Mendenhall was moved to offensive tackle. Intelligent. He's the only experienced player the

Sooners have at this position. Should develop into a fine center with some more playing time. Wanted to be a rancher when he saw one dressed in flashy western clothes with a big western hat walk into a drug store at Clinton. Caught 87 passes for 26 touchdowns as a senior at Elmore High School. Leading receiver on last year's freshman team with 13 completions for 237 yards and two touchdowns. Is a stock car racing fan. "I like to hear those big engines hum and all that speed go by. I don't ever want to race, though. I'd just as soon watch." Freshman Football

'68 and '69 OU Frosh—Good Examples

OKLAHOMA's 1970 freshman team will try to be exactly like the ones OU had in 1968 and '69 and not lose a ball game.

Coach Don Jimerson's Boomers enjoyed another 4-0 season last fall by nudging Tulsa, 28-24, and beating the next three opponents better than that. Texas Tech fell, 50-12, Kansas was downed, 50-26, and Oklahoma State was defeated, 55-11.

The Boomer offense received its spark from quarterbacks Dan Ruster and Dave Robertson who completed 34 passes for eight touchdowns, split end Greg Pruitt who caught most of them and running back Joe Wylie who unwound that long stride of his to gain 518 yards and score eight touchdowns. Wylie's 209 yards rushing against Kansas and his 93-yard touchdown scamper against Oklahoma State are on the school freshman record books. The four touchdowns he scored on OSU are, too.

Jimerson and his assistant coach, Jerry Pettibone, are receiving more help next fall. Bobby Warmack, Oklahoma's fine quarterback of 1966-7-8, has joined the staff. He'll coach the freshman backs and Pettibone will handle the defense.

43 Prepsters Sign With Oklahoma

GOOD INSURANCE never hurt anybody. Coach Chuck Fairbanks and his staff, aware of this, worked hard at recruiting last winter and signed 43 top-notch high school players to national letters of intent. Twenty-two of them were voted to all state teams in their respective states.

Headed by recruiting coordinator Leon Cross, the Sooners landed 17 linemen, 21 backs and five ends.

The home state always gets No. 1 priority from Fairbanks and his staff, even though they work hard to capture out-of-state talent.

Linemen Kyle Davis of Altus and Sid Riley, blue chipper from Henderson, Tex., are included on the list of big, fast and talented players Oklahoma landed this year.

Recruiting is one of the best things going for Coach Fairbanks and his staff. Never in the history of Oklahoma football have so many large and swift folks enrolled at Oklahoma.

Some of the bigger athletes or this year's incoming freshman team are end John Carroll (6-4, 192) of Norman, linemen Joe Whitaker (6-3, 238) Throckmorton, Tex., Tim McGhee (6-3, 205) Star-Spencer High School in Oklahoma City and Chris West (6-3, 235) of El Paso, Tex. Andress.

Lucious Selmon, 210-pound all-state running back from Eufaula, who was heavily recruited by several schools, also decided to play for Oklahoma.

OREGON STATE

. . . at Norman, Okla., Sept. 26, 1:30 p.m. CDT

RECORD LAST YEAR — 6-4. The Beavers return 31 lettermen including five offensive and three defensive starters.

Coach Dee Andros says—"Oregon State again could be strong, providing some of our younger players come through at positions badly depleted through graduation. Offensively, we should be better than last year, since most of the 1969 starters return. We did lose a lot on defense, including the entire defensive secondary. We had a good spring practice, however, and the squad spirit was excellent. I am concerned about those games we have early. We get our baptism under fire early. I know our kids will be tough, though, and welcome the challenge."

RECORD LAST YEAR — 3-7. The Cyclones return 31 lettermen including nine offensive starters and six defensive starters.

RECORD LAST YEAR—9-1 and lost to Penn State, 10-3, in the Orange Bowl. The Tigers return 26 lettermen including six offensive and six defensive starters.

Coach Dan Devine says—"Our main objective is to replace quality people at several key positions, and it won't be easy. If our inexperience at quarterback, and in the defensive secondary can be resolved early, we should be in pretty good shape.

"We can't expect our offense to be as productive as last year, with 75 percent of our No. 1 backfield — and our long-range field goal kicker gone—so our defense will have to take up the slack. Of concern too, are lingering injuries to three good football players—Rocky Wallace (def. tackle), James Harrison (fullback) and Mike Bennett (def. end)."

RECORD LAST YEAR — 1-9. The Jayhawks return 28 lettermen including six offensive and six defensive starters.

Burris Makes Hall of Fame

Paul "Buddy" Burris, rugged Oklahoma guard from 1946 to 1948, became OU's first player elected to the Helms Athletic Foundation Football Hall of Fame.

Burris and six other ex-college footballers were honored in 1969 by Helms. They are Walker Carpenter, Georgia Tech (1915-17), Jerome Holland, Cornell (1936-38), Edwin Horrell, California (1922-24), Millard 'Dixie' Howell, Alabama (1932-34), Banks McFadden, Clemson (1937-39) and Edwin Widseth, Minnesota (1934-36).

Burris, from Muskogee, is Oklahoma's only three-time all-American.

Two other Sooners, both former coaches, are members of the Helms Football Hall of Fame, Bennie Owens (1905-1926) and Bud Wilkinson (1947-1963).

Burris is now a resident of Norman.

History Of The University

ESTABLISHED IN 1890 by an act of the Territorial Legislature, the University of Oklahoma opened its doors to the first 52 students in 1892.

At that time few of the students were qualified to do college level work, and the University operated a preparatory school in its one-building campus in downtown Norman.

The citizens of Norman raised money to buy a 40-acre tract south of the city as a site for the University. From those bare beginnings Oklahoma's leading educational institution has grown to include several thousand acres with one of the finest physical plants in the Southwest. Enrolment has grown to more than 18,000, and the University offers programs not only on the main campus but also in extension centers throughout the state.

Drawing its student body from every state in the Union and from a broad range of foreign countries, the University community represents a cultural cross section. Its housing and recreation facilities are excellent,

OU Plays On New Tartan Turf

Owen Field, where the Sooners play their football games, will be among the most stylish layouts in the country next fall. The OU Touchdown Club, a booster organization, has donated a new 3-M Tartan Turf playing surface to Oklahoma that should be installed for the start of the 1970 season.

Cost of the project will be in the neighborhood of $250,000. Construction began June 1.

"It's a fast track," says Coach Chuck Fairbanks. "Our team is blessed with good overall speed. I think the field will be an advantage and it will keep Oklahoma in the forefront in athletic facilities."

The new playing surface will be green in color and bordered in red.

Tartan Turf is currently in use at Wisconsin, Tennessee, Michigan, Michigan State and Louisiana State.
